

A fine selection of small batch whiskeys, scotches and bourbons from around the country and the world.

In 1969 a small group of Rancho Santa Fe residents founded the Santa Fe Hunt and much of the open space in Rancho Santa Fe and other areas was used for hunt country. This was later recognized by the Master of Foxhounds Association in 1987. Riding to the hounds (the correct term for fox hunting) is as much a social event as it is enjoying being outside with friends alike. The Inn at Rancho Santa Fe is rich in history and the Huntsman is our way of saluting an era of exemplary sport and riding.

The Huntsman Personal Wine Locker

The personal wine lockers included in your membership holds up to 18 bottles of wine. Members have access to the personal lockers during Morada business hours (7:00am – 10:00pm). Members will have first option to participate in monthly tasting events and wine dinners.

We receive great pricing on wine and spirits through our local distributors. To purchase wine and high end spirits to fill your locker please email Blake Polinski bpolinski@theinnatrsf.com. If you would like to store wine from your personal selection you may do so and the corkage fee will be waived. All spirits must be purchased through the INN.

The only restrictions that we have on our end for buying wine are for the higher end/collectible wines that are allocated for restaurants and hotels. We are only available to get one or two cases per year. For example, Silver Oak is one of the allocated wines that we are only allowed to purchase up to two cases per year. We can also find out future release dates on the allocated wines and wines that may be sold out.

Once your order comes in, we will contact you and charge to your membership account.
